NOTICE OF APPARENT LIABILITY FOR FORFEITURE

Released: August 25, 2003

By the Enforcement Bureau, Tampa Office:

I. INTRODUCTION

1. In this Notice of Apparent Liability for Forfeiture, we find Metropolitan Radio Group of Florida, Inc., licensee of AM radio station WRXB, St. Petersburg, Florida, apparently liable for a forfeiture in the amount of seven thousand dollars (\$7,000) for willful and repeated violation of Section 73.49 of the Commission's Rules ("Rules").¹ Specifically, we find Metropolitan Radio Group of Florida, Inc. apparently liable for failure to maintain an effective locked fence around the base of three antenna towers.

II. BACKGROUND

2. On May 15, 2003, agents from the FCC Enforcement Bureau's Tampa Field Office inspected station WRXB (AM) in St. Petersburg, Florida. The agents found none of the station's three antenna structures enclosed within an effective locked fence. Each of the structures had radio frequency potential at its base. A perimeter fence surrounded the property containing the three towers, however, the public entrance gate to the property was open and unlocked allowing unrestricted access to the bases of all three towers. Station personnel stated that the entrance gate to the property remained opened and unlocked for at least the past month.

III. DISCUSSION

3. Section 73.49 of the Rules requires antenna towers having radio frequency potential at the base (series fed, folded unipole, and insulated base antennas) must be enclosed within effective locked fences. On May 15, 2003, agents found that three antenna towers used by WRXB were not enclosed within an effective locked fence, allowing unrestricted access to the base of the towers. All three towers

had radio frequency potential at the bases. Statements by WRXB personnel indicated this condition had existed for at least a month prior.

4. Based on the evidence before us, we find that Metropolitan Radio Group of Florida, Inc. willfully² and repeatedly³ violated Section 73.49 of the Rules by failing to maintain an effective locked fence around the base of three antenna towers.

5. Pursuant to Section 1.80(b)(4) of the Rules,⁴ the base forfeiture amount for failure to maintain effective locked AM tower fencing is \$7,000. In assessing the monetary forfeiture amount, we must also take into account the statutory factors set forth in Section 503(b)(2)(D) of the Communications Act of 1934, as amended (“Act”), which include the nature, circumstances, extent, and gravity of the violation, and with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and other such matters as justice may require.”⁵ Considering the entire record and applying the factors listed above, this case warrants a \$7,000 forfeiture.

IV. ORDERING CLAUSES

6. Accordingly, IT IS ORDERED THAT, pursuant to Section 503(b) of the Act,⁶ and Sections 0.111, 0.311 and 1.80 of the Rules,⁷ Metropolitan Radio Group of Florida, Inc., is hereby NOTIFIED of this APPARENT LIABILITY FOR A FORFEITURE in the amount of seven thousand dollars (\$7,000) for willful violation of Section 73.49 of the Rules by failing to maintain an effective locked fence around the base of its antenna towers.
